Dear Spindy, Ray, Hayley and Gerry

We wanted to write and thank you so much for providing such fantastic entertainment for our Music Through the Decades event last weekend. We have had some great feedback and every loved you. Some said that it was the best evening's entertainment that they had had for a long time.

You managed to put together a really good selection of songs so that the evening was a success to people of different ages – I am sure that you could tell this as the dance floor was full nearly all evening.

On the night we have made a profit of £2000 that we can donate to the Shooting Star Children's Hospice which we were delighted about.

I have enclosed a CD with some pictures of the evening on.

Again, very many thanks and hopefully we might be able to ask you to help us again at a future event.

With best wishes

Pauline Nunn and Pauline Sieler
